(except evening dinner), course banquet
and accommodation in Malacca)

All costs includes the cost of Practice
and Procedure Exam but NOT the Award
Writing Exam which is subject to an
additional fee.

This intensive residential course in International Commercial Arbitration is offered over nine days. Participants will be taught the practice of international commercial arbitration, including all major forms of international arbitration and related dispute settling mechanisms such as WIPO, WTO and Investment Treaty Arbitration. Participants will gain the ability to appear in or act as an arbitrator in such arbitrations in different contexts.

In the first half, a series of lectures cover the fundamentals of international commercial arbitration. They follow and analyse legal concepts and issues arising during the course of an arbitration. In the second half, the lectures will examine Trade Law disputes and arbitration under Bilateral Investment Treaties and Free Trade Agreements and other specialist areas such as construction arbitration.

Meanwhile in the afternoon sessions, participants take part in practical group workshops, under the guidance of experienced arbitrators. Students will be given practical training in the conduct of an international arbitration and will discuss a range of problems which may arise in the course of conducting an international arbitration.

On successful completion of the Diploma course and Module 4 Award Writing Examination, candidates will be awarded a CI Arb Diploma in International Commercial Arbitration.

Successful completion of the course assessment will enable students to gain advanced standing in postgraduate programs offered by the Faculty of Law UNSW. Please contact student services to discuss admission to a post-graduate program before undertaking the course. Current UNSW students should contact student services to obtain information about units of credit available to your degree. A maximum of 12 units of credit advanced standing is available.
